9th January, 2012

Dear Parents/Guardians,

Over the next few weeks a recruitment advert will appear in a number of publications for an Executive Headteacher for the Federation of St. Gregory's and Cardinal Newman Catholic High Schools. The advert appears due to my decision to retire in August of this year. Governors have been aware of this since last September and have been making the necessary preparations to recruit my successor.

Rather than have a situation where parents are unclear as to the reason for the advert appearing, I thought it would be best that you are kept fully informed. It was a difficult decision to make as it has been a privilege to serve, initially St. Gregory's and more recently Cardinal Newman, over the past twelve years. I am particularly grateful for all the support that parents have given the schools during my time as Headteacher and currently as Executive Headteacher.

Once an appointment has been made the Governors will write to inform you.

Yours sincerely,

S. W. Clarke
Executive Headteacher

St. Gregory's Catholic High School

Head of School: Mrs. N.M. Fawkes B.Sc. N.P.Q.H.
