Via the mobile app

You can obtain your Parent Code from **your child's account**
on the mobile app. Please ask them to log in, then go to
Settings > Parent Code to find the code!

Via web browser

You can ask your child to log in to their account on a web
browser and go to their [Account Settings](#), where you will
find the most up to date Parent Code! This can be found by
scrolling down on the [Account Settings](#) page, to the section
below.

From here, you can simply click 'Show code', and it will
reveal your Parent Code.
