## Try it

Why not challenge yourself and complete one of these extension tasks?

Write a paragraph to say what each of the care values are:

- Maintaining Confidentiality
- Safeguarding and Duty of Care
- Promoting Anti-Discriminatory Practice
- Effective communication
- Preserving Dignity
- Respect for Others
- Empowering and Promoting Independence

Write a role-play that demonstrates all of the care values. The role play will take place in a care home – you will take on the role of a volunteer and you are looking after the resident. Base it around a meal time, taking the resident to the toilet or for a wash and getting them ready to go outside.
