In each block put a tick next to the subject you would like to study in years 10 & 11. Pick one subject in each block.

There are some rules you have to follow when you are making your choices

- Every student must pick either History or Geography as one of their choices.
- If you are in Set 1 for French or German, you have to pick the language you currently study as one of your choices.
- Do not chose the same subject twice.
- Triple Science will only run in the option block x if it is chosen by more than 23 students.
